

## Charity Wonderland

*(sung to the tune of "Winter Wonderland")*

Telephone rings  
Are you listening?  
Donors bring  
Cheques a glistening  
A beautiful sight  
We're happy tonight  
Working for a worthy charity

Gone away are the job perks  
Here to stay are the good works  
9 to 5 days are rare  
But we really don't care  
Working for a worthy charity

At the office we can build a snowman  
And pretend that he is Funder Brown  
He'll say, Have you money?  
We'll say, No man!  
But you can write a cheque  
When you're in town

Later on  
We'll conspire  
for our Board to dream higher  
To face unafraid  
Strategic plans that we've made  
Working for a worthy charity

In the meantime we can build capacity  
And put it in the annual report  
An integral part of our community  
Thanks to all our donors' strong support

Watch us grow  
Ain't it thrilling  
Now we're making a killing  
As staff we will stay  
Despite our low pay  
Working for a wealthy charity!
